

BD OVERSEAS

BD OVERSEAS CATALOUGE

2019/20

Mr. Parveen Garg is the Managing Director of our company. He has total experience of more than 35 Years. He brings together distinguished experience & unparalleled knowledge. Coupled with extra ordinary vision & mission he has been able to make a mark in rice business.

WHO ARE WE ?

We are one of the most renowned exporter and processor of Indian Basmati Rice. Our whole variety of rice is widely appreciated across the globe for its longer shelf life, rich taste & aroma, high edible qualities, purity and other qualities. In order to ensure qualitative production of our range, we have set up a well integrated processing facility which is installed with sophisticated rice mill machinery.

VISION

Our vision is to understand customer's needs and to serve best quality of Indian Rice.

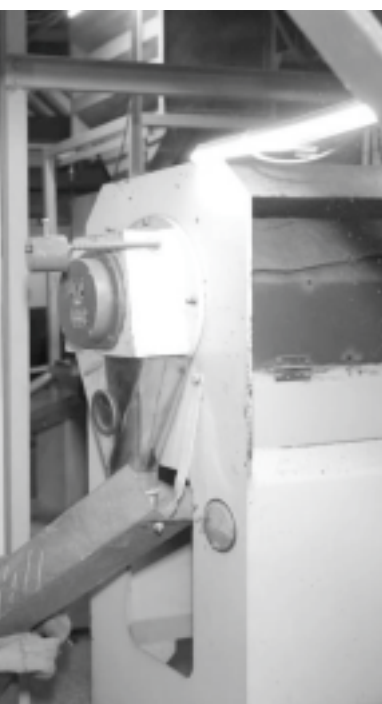

We aim at supplying perfect quality to our customers; nurture a professional work environment that fosters employee excellence, growth and job satisfaction; and build a financially strong, growth oriented company that creates value for stakeholders.

OUR PROCESS & INFRASTRUCTURE

We have wonderful set up of research and development and we are gritty to provide hygienic products. We carry the operations of Parboiling, Milling and Packaging with intense care. The Machines used in manufacturing are made in Japan & Germany and machine for packaging used are of advanced technology. We have packing capacity of up to 1000 ton per day. Our Products for domestic as well as for global markets are prepared according to the global standards under the supervision of highly skilled employees.
